My Fair Lady

Director: Michael Jones

Musical Director: Ori Siegel

Choreographers: Emily Poirier & Krista Posyniak

Producers: Fabio Saposnik & Rhoda Silzer

Stage Manager: Heather Bellingham

Very closely based on George Bernard Shaw's *Pygmalion* (much of the dialogue is lifted directly from the Shaw play), *My Fair Lady* is one of the world's best-loved musicals. It tells the story of Eliza Doolittle, a poor flower girl whom Professor Henry Higgins bets that he can pass off as an upper class woman. After Higgins teaches Eliza to speak properly and suitable manners and demeanor for society, he wins his bet, but the two struggle to determine to whom the triumph really belongs.
